## FREE SET-UP LINE 0800 027 2939

### DRIVING ON-LINE BUSINESS

**Clicklease** has been designed as a **FREE** service and solution for progressive companies wishing to drive more business from their Website.

As every business person knows the Internet is a huge opportunity for gaining business. Most business people search the Internet as research before making a purchase and will always take the easiest path.

As leasing has become more and more the norm to fund business equipment and software acquisitions, suppliers, vendors and dealers now need to make things easy for visitors to their website to check out what their investment is likely to be and then apply on-line.

**Clicklease** makes life easy for your website visitors to do business with you and **Clicklease** makes life easy for you to offer leasing on your website.....and it's **FREE**

**Clicklease** will help you: -

- Increase Profitability
- Increase Margins
- Bring New Clients
- Grow Market share
- Increase Visibility

So why should you want **Clicklease** ?

In June 2006,

- 16355 people searched on LEASING
- 9011 searches for EQUIPMENT LEASING
- 2043 searches for MEDICAL EQUIPMENT
- 625 searches for SOFTWARE LEASING  
even down to
- 303 searches for HEAVY EQUIPMENT

Make it easy for your website visitors if not, you will loose out.

**SIGN MORE BUSINESS**

**ASSIST CLIENT INVESTMENT**
